World Cryptocurrency International

WCI was founded with the aim of providing the best possible information about cryptocurrencies and Bitcoin.

- Show members how to receive profits generated from trading and mining of cryptocurrencies using Bitcoin as our main coin.
- Teach individuals how to use cryptocurrencies and open digital wallets.

The WCI System

WCI's system utilizes a trading and mining platform of cryptocurrencies with an automated profits sharing algorithm.

- Upon joining with a membership package, we will use those Bitcoins to trade and mine more cryptocurrency.
- 50% of profits are paid out to members and 50% are used to increase the power of trading and mining.
- Solidify business relationships with companies dedicated to the growth of technologies used to trade and mine Bitcoin.
